

# Utah Correctional Industries

## Our Mission

Utah Correctional Industries (UCI) is dedicated to public safety through innovative career building, community partnerships, and quality production to develop successful people.

# What we Make

In addition to creating opportunities for people following release, UCI offers a wide range of products including custom designs.

Furniture Manufacturing / Embroidery / Silk Screening / Greenhouse  
Printing Services / Road & Office Signs / Upholstery & Seating  
Textiles & Sewing / Construction Services / Serving Time Cafe

# Partner with Us

By partnering with UCI,  
you help to provide  
incarcerated individuals  
with:

- A second chance to positively impact our communities.
- Necessary skills for contributing to the work environment like, problem solving, communications, and positive employee and supervisor interactions.
- Funding programs that build careers, provide apprenticeship opportunities, and increase the likelihood of living a crime free life after release.

# Comments/ Inquiries

If you would like to inquire about specific products or are looking for a quote, please contact us.
